Community Support Opened Sunrise

SUNRISE RETIREMENT COMMUNITY

Fifty years ago, community leaders led a grassroots campaign to develop a local community for aging seniors. A handsome building was constructed on Gordon Drive, and Sunrise Retirement Community began welcoming seniors.

First named Martin Luther Home, then Sunrise Manor – Sunrise has expanded and served 6,000 seniors over the years. We have always been guided by a local, volunteer board.

Today, Sunrise is the area's largest, community-based, not-for-profit senior community. We are preparing to build a new, state-of-the-art health center to take us into the future. Proud of our history that began 50 years ago, we are confident that community generosity will support us in the years to come.
